Representative Robert Dole
U.S. House of Representatives
Washington, D.C.

Dear Representative Dole:

We wish to register our opposition
to the proposed Food for Freedom bill
H.R. 12785 which authorize food
shipments to Communist-controlled
nations.

At the present time, when we
are at war with the forces of evil
(Communism), it seems foolhardy
to help those whose avowed purpose
is to bury us.

Please forward a copy of H.R. 12785
and your views on this subject.

Yours truly,
