Dear Senator:

As you well know by now, the AFL-CIO strongly opposes the North American Free Trade Agreement as a bad deal for America.

Not only will the agreement cost hundreds of thousands of U.S. jobs, but it will force American workers to compete with the $1 an hour wages earned by Mexican workers and engineered by the Mexican government.

NAFTA also will cost American taxpayers billions of dollars, a fact acknowledged even by NAFTA supporters.

Working Americans throughout the nation are sending a clear message: No NAFTA. We urge that their voices be heard. The enclosed poster is being distributed widely and I thought you would like to have one.

Sincerely,

[Signature]
