Senator Robert Dole
United States Senate
Washington, D.C. 20408

Dear Senator Dole:

I am a 7th grade student and I am writing about the Hot Lunch Program. Teenagers, and small kids, too, need the well-balanced lunch that the Program gives. So, please, recognize Bill # 3239 and Amendment # 2871. Please vote to save our program.

Sincerely yours,

[REDACTED]
